

Love

Prayer

O my Lord! Make Thy beauty to be my food, and Thy presence my drink, and Thy pleasure my hope, and praise of Thee my action, and remembrance of Thee my companion, and the power of Thy sovereignty my succorer, and Thy habitation my home, and my dwelling-place the seat Thou hast sanctified from the limitations imposed upon them who are shut out as by a veil from Thee. Thou art, verily, the Almighty, the All-Glorious, the Most Powerful.

(Bahá'u'lláh, Baha'i Prayers, p. 143)

Quotation

Discuss the Spiritual Quality

Love is caring for someone and wanting to care for them. It is a special feeling that fills our hearts. We show love in many ways such as smiling, speaking kindly, a doing something thoughtful, or giving a hug. When we love someone we treat them well because they mean so much to us. We treat them the way we would like to be treated (with care and respect).

Discuss the Spiritual Quality (cont.)

- How do you show someone you love them?
- In what ways do your parents show their love for you?
- What does it feel like to be around someone who loves you?
